

## CUBBY STORAGE CART

This versatile, mobile piece offers a sleek design solution for classroom storage and makerspaces and is available with either tote bins or fixed open shelves for large format storage. As part of the Explorer Storage System, the Cubby Cart is perfectly sized for younger students. Or, it can line up nicely with the Rover or Maker tables and be used as a support storage unit with an additional work top for your makerspace.

6" H X 20.875" L X 12.74" W

## STORAGE OPTIONS

The Cubby Storage Cart configured for bin storage accommodates 12 durable clear totes which can accommodate a multitude of learning materials while the open format storage unit with 2 fixed shelves allows for the storage of larger items as well as maker projects that are a work in process. The extra deep shelves assure that many different types of storage needs will be met.

ALL METAL CONSTRUCTION  
FOR INCREASED DURABILITY

## VERSATILITY

The Cubby Storage Cart comes standard with a white board surface on the back of the cart. Because the entire case is of metal construction magnetic markers and erasers can easily be attached for quick access. Equipped with heavy duty casters, the entire unit can easily be oriented so that the back side can serve as an ideation space for small groups or individual problem solving.

## DURABILITY AND MOBILITY

The Cubby Storage Cart case is constructed with all metal components for a life time of use, a hallmark of Haskell design and construction. With the integrated handle design, durable locking casters and all metal construction, the Cubby Storage Cart is perfect for active learning spaces that need to be re-configured for multiple learning modalities. As part of the Explorer and Rover suite of solutions, the Cubby Storage Cart easily supports dedicated and mobile makerspace environments.
