

## FLIP TABLE

The Echo Flip Table integrates seamlessly with the existing Echo Table collection. Offered in a variety of sizes and shapes, Echo Flip Tables easily nest providing an extra measure of flexibility suitable for any learning environment.

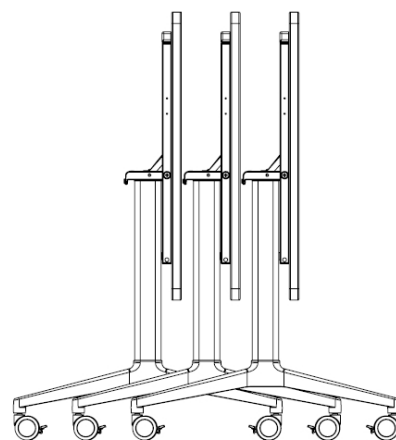

When flipped, the tables can be moved, nested out of the way and easily reconfigured by both students and teachers. The transition between these postures gives students choice and flexibility which enhances overall student engagement. Echo Personal Marker Boards can easily be stored, transported and displayed on the Echo Flip Table, keeping these important tools ready for when they are needed.

**Learn. Think. Do.™**

Furniture solutions for flexible and agile learning environments that encourage individual choice, increased movement and dynamic student engagement.

## SOPHISTICATED MODERN DESIGN

- Stylized Die Cast Aluminum legs available with casters and leveling glides
- Solid bar release mechanism for one handed operation
- Pneumatic supported pivot mechanism for smoother opening and closing
- Optional docks and hooks available to support Personal Marker Boards

marker board/  
book bag hook

The heavy duty all steel hook supports both book bags as well as multiple personal marker boards.
