TEACHER'S LECTERN WITH STORAGE

Haskell Education's unique teachers podium is the right choice for today's active learning classroom. Our 20 year warranty on the height adjustable column insures years of uninterrupted use in the classroom offering maximum flexibility and greater student engagement.

Learn. Think. Do.™

Furniture solutions for flexible and agile learning environments that encourage individual choice, increased movement and dynamic student engagement.

TOOLS FOR 21ST CENTURY TEACHERS

Dynamic height range of 28 1/4" to 42" engages grade levels from elementary to secondary education. Supports a wide range of digital tools and supports hydration with an optional cup holder. Casters allow for easy movement from classroom to extended learning spaces.

TOOLS FOR NEXT GENERATION CLASSROOMS

Our lectern and teacher podiums for the front of the classroom offer sleek and agile designs that complement our education series. Height adjustability, an optional grommet that supports digital devices and lockable storage provide the ultimate in flexibility.

DESIGNS THAT WORKS

While many height adjustable podiums bounce and are springy, our Hydraulic SureLock Construction prevents bounce and slippage of the height adjustment. And our integrated construction at the surface mount provides greater strength and stability.
