WAVE TEACHERS DESK WITH CURVED PODIUM

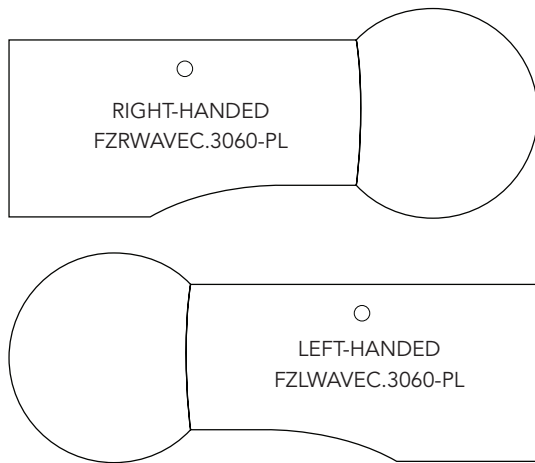

Haskell Education's Wave teachers desk with companion height adjustable Curved podium and Fuzion pedestal is the right choice for today's active learning classroom. The unique shape combined with the movable, height adjustable podium provides the ultimate flexibility and comfort for today's active educators.

Learn. Think. Do.™

Furniture solutions for flexible and agile learning environments that encourage individual choice, increased movement and dynamic student engagement.

SIT TO STAND TOOLS IN THE CLASSROOM

The curved podiums dynamic height range of 28 1/4" to 42" engaged grade levels from elementary to secondary education. Our 20 year warranty on the height adjustable column insures years of uninterrupted use in the classroom.

SOLUTIONS FOR THE ACTIVE LEARNING CLASSROOM

Our sit to stand, lecterns and teacher solutions for the front of the classroom offer sleek and agile designs that complement our education series. The Wave series comes right or left handed and with casters to allow for easy movement from classroom to extended learning spaces.

DESIGNS THAT WORKS

While many height adjustable podiums bounce and are springy, our Hydraulic SureLock Construction prevents bounce and slippage of the height adjustment. And our integrated construction at the surface mount provides greater strength and stability.
