

Returning to the Classroom with Haskell Education

COVID-19 SOLUTIONS

The Rover Table

- Mobile maker station
- Fits through a 30" door
- Self-contained and easy to move
- Easier to clean one table verses an entire makerspace room
- Deploy table into classroom, remove, clean and redeploy
- Flip top allows table to be easily stored when not in use
- Industrial grade lockable casters
- Supports outdoor learning activities
- Culinary grade bins are dishwasher safe
- Accommodates prepackaged maker manipulative programs
- Maximizes your investment as a shared resource
- Top dimension supports distancing between students
- Steel construction ensures longevity
