## VOYAGER STORAGE CARTS WITH SHELVES

Hands-on learning is more important than ever in today's classroom. Voyager mobile storage carts provide teachers a way to manage all of the materials they need while keeping those resources accessible for students. This versatile, mobile storage cart comes in two sizes and offers a compact design solution for classroom storage. Available as a 4-shelf unit with 3 adjustable shelves (tall storage unit) or a 3-shelf unit with 2 adjustable shelves (short storage unit).

Learn. Think. Do.™

Furniture solutions for flexible and agile learning environments that encourage individual choice, increased movement and dynamic student engagement.

## A SIMPLE WAY TO MANAGE MATERIALS

As part of the Voyager System the mobile open shelf storage carts allow educators to organize, store and distribute learning materials in a wide variety of shapes and sizes – from pads of paper to drone models. The adjustable shelves allow for many configurations, allowing the cabinet to be customized to your needs.

## MORE THAN JUST A STORAGE CART

The integrated whiteboard back expands the functionality of this unit making it the ultimate storage solution for any learning environment. And because the Voyager storage carts are all metal construction, magnets can be used for added functionality.
