DISCO STOOL

A sophisticated active learning stool that supports multiple body types and sizes allowing students to pivot, spin and rock in a 360-degree motion. When you hear the word disco, it conjures thoughts of movement, energy and having fun. At the same time, the Latin meaning for the word disco is "I Learn." It's the perfect pairing of meanings. Learning at its core should be energized and fun. And we know that simply being able to move during class time is a big part of that equation.

Black 8A

Red 8B

Sky 8D

Green Apple 8E

Orange 8F

Navy 8J

Purple 8I

Storm 8L

The Disco stool is designed to pair with other active learning seating solutions as the perfect complement giving students greater choice without compromising aesthetics or performance. It is also designed to work seamlessly with tables, student desks and sit to stands. With the grab and go handle, it fits perfectly into any learning environment.

Easy storage for floor cleaning. Rubber bumpers under the seat prevent the tops of tables from being scratched or marred.

Cantilevered base design gives the space for students to find their most comfortable posture.

OVERALL DIMENSIONS

Stool Width: 18"
Stool Height: 18"
