

VOYAGER

VOYAGER TABLE HEIGHT ADJUSTABLE

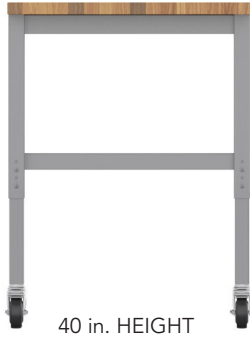

Today's scholars deserve the best tools to enhance learning outcomes. The Voyager table series is designed to do just that by fostering better learning, thinking, and doing. The steel frame and leg system support a variety of top sizes and materials suitable for maker spaces, STEM learning, art rooms and more.

Learn. Think. Do.™

Furniture solutions for flexible and agile learning environments that encourage individual choice, increased movement and dynamic student engagement.

29 3/4 in. HEIGHT

DURABILITY AND MOBILITY

The Voyager Height Adjustable table is constructed with an all-metal welded frame and durable locking casters for a lifetime of use. The height range can be adjusted to meet multiple needs / age groups and we offer a variety of tabletop sizes....36"x60", 36"x72" and 42"x60". Choose from our standard laminates and edge bands or a sturdy butcher block top option.

Available in 60" and 72" LENGTHS.

Available in 60" and 72" LENGTHS.

CHOICE

Designed to complement our award-winning Explorer series Rover Table, Maker Table and Cargo Cart, the Voyager series is the perfect solution for demanding Maker and STEM curriculum or for any of today's collaborative learning spaces.

FRAME FINISH

Platinum
